**A PRONOUNCEMENT OF ACKNOWLEDGEMENT AND RECOGNITION OF THE LONG TIME ESTABLISHED COVENANT BY AND BETWEEN THE MEN AND WOMEN ON THE COUNTY AND OUR CREDITOR YAHUWEH INSCRIBED AS THE COUNTY AT LARGE, UNION AT LARGE, AND NATIONS AT LARGE.**

The purpose of the pronouncement of Acknowledgement and Recognition is to give notice to the world that there are in fact men and women on the county at large in the judicial districts of thousands, hundreds, fifties, and tens in assembly, united in a union with other counties at large. The counties at large regard each other as separate and distinct nations in the name of yahushua, with absolute allegiance to our creditor, yahuweh, and exercise that form of rule in harmony with the Law of Nations by and between each nation at large.

We, the men and women on the county at large acknowledge and affirm that yahuweh, our elohim, is our great physician, granting us the remedy in all matters through yahushua, our one and only trustee, physician and healer.

We, the men and women on the county at large, have an absolute right to have rule, order, and an absolute right not to live in fear of other men, and assemble to neutralize any threat that may arise.

We, the men and women on the county at large, have the absolute right to love our neighbor as ourselves; seek and love our great physician and creditor with all our heart, mind and soul, and do unto others as we would have them do unto us.

We, the men and women on the county at large, have the absolute right to not murder, rape, steal, commit adultery, covet our neighbors things, or his wife; to not worship graven images, have other gods before yahuweh, and not take yahuweh's name in vain; and to not bear false witness against our neighbors.

We, the men and women on the county at large have the absolute right to remember the Sabbath day and keep it clean, and to honor our fathers and mothers.

We, the men and women on the county at large are the civilian authority in the world, but not of the world, and will remain neutral in all conflicts of the world.

We, the men and women on the county at large acknowledge that the spirit and soul within our flesh and blood bodies are the beneficiaries of our experiences on earth and the spirit of the law shall not be removed from any contractual dealings in our commerce and trade.

We, the men and women on the county at large are the descendants of the man that tills the ground as purified by the prepayment of all transgressions by yahushua, to our great physician and creditor, yahuweh.

We, the men and women on the county at large recognize and acknowledge that our great physician and creditor, yahuweh, has allodium title, first claim, and total dominion, on all of the land on the county at large, and can never be removed by any claim, foreign or domestic, or by the men and women within the union.

We, the men and women on the county at large recognize and acknowledge that our great physician and creditor, yahuweh, has allodium title, first claim and total dominion on the union at large, the nation at large, and all of the property therein on the county at large, the union at large, and the nation at large.

We, the men and women on the county at large have the absolute right to monetize our sweat equity into a medium of exchange from our great treasury; and to exchange, and trade our sweat equity with foreigners called sojourners, from within the nation at large and other nations within our union, and among our families and friends, all privately traded.

We, the men and women on the county at large can never accept any position, appointment, election, or the position of trustee in any trust agreement from any other lawful process, foreign or domestic, or from within the county at large, the union at large, and the nation at large.

We, the men and women on the county at large, claim the right of born again, and remain neutral in the war by and between the illuminati and the church, for we know the truth about our righteous physician, spiritual leader, friend and brother, yahushua.

Any man and/or woman who voluntarily autographs the great covenant in the name of yahushua, the great covenant does supersede all other agreements, whether or not the character of the contract or agreement is private or public, express or implied, foreign or domestic.

Hallelu yahuweh! Hallelu yahuweh! Hallelu yahuweh! for the testimony of yahushua, for the men and women on the county at large have returned once again, to the everlasting covenant by and between the resurrected and non-resurrected sons of man until the day and the time appointed.

So bound on earth in time as it is in heaven in the everlasting by the men and women on the county at large in union with other counties at large as separate and distinct nations in the name of yahushua, with absolute allegiance to our creditor and great physician, yahuweh, and exercise that form of rule in harmony with the Law of Nations by and between each nation at large.
